Ethan,

1. Finish writing in all the chords above the Treble Clef
2. Write note names for RH notes below the Treble Clef (below the individual note) when necessary
3. Work on this solo measure by measure just like we did in the lesson.
4. Repetition
5. Let me know what hurdles you come across
Example: "Andy, I don't understand the rhythm in measure 13"
-- something like that
6. When this version is easy for you, let me know...I'll send you another that's one step closer to the complete solo.
So try to learn this one swiftly.

Good luck
